The CHAIRMAN: The present public meeting of the Committee on Applications for Review of Administrative Tribunal Judgements has been convened pursuant to paragraph 4 of article VII of the rules of procedure of the Committee, contained in document A/AC.86/2/Rev.3. That paragraph provides as follows:

"The decisions of the Committee and the text of any questions to be addressed to the International Court of Justice, as well as the results of and the participants in any votes taken during the private deliberations, shall be formally announced in a public meeting, at which any member of the Committee may make a statement for the record."

The Committee on Applications for Review of Administrative Tribunal Judgements, having examined the application of Ms. Silveira at its meeting held on 5 February 1990, has decided without a vote that there was not a substantial basis for that application under article 11 of the Statute of the Administrative Tribunal and has therefore concluded that the International Court of Justice should not be requested to give an advisory opinion in respect of Judgement No. 458 delivered by the United Nations Administrative Tribunal in the case of Silveira against the Secretary-General of the United Nations.

The Committee on Applications for Review of Administrative Tribunal Judgements, having examined the application of Mr. Salaymeh at its meeting held on 5 February 1990, has decided without a vote that there was not a substantial basis for that application under article 11 of the Statute of the Administrative Tribunal and has therefore concluded that the International Court of Justice should not be requested to give an advisory opinion in respect of Judgement No. 469 delivered by the United Nations Administrative Tribunal in the case of Salaymeh against the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East.

(The Chairman)

The Committee on Applications for Review of Administrative Tribunal Judgements, having examined the application of Ms. Wheeler at its meeting held on 5 February 1990, has decided without a vote that there was not a substantial basis for that application under article 11 of the Statute of the Administrative Tribunal and has therefore concluded that the International Court of Justice should not be requested to give an advisory opinion in respect of Judgement No. 467 delivered by the United Nations Administrative Tribunal in the case of Wheeler against the Secretary-General of the United Nations.

As no member of the Committee wishes to make a statement for the record, I announce that this concludes the work of the Committee on Applications for Review of Administrative Tribunal Judgements at its thirty-fourth session.

The meeting rose at 10.45 a.m.
